Your **FloBeds Cover** is made of Cotton and/or Wool. Our covers unzip, so you can easily hang your mattress top in the sun. We suggest sunning your mattress top a couple of times a year. Sunning will help eliminate dust mites. If you suffer from severe allergies, with the top off, you can vacuum the inside top of your mattress components to remove allergens. That, combined with your sunned mattress top will provide you with cleanest and most comfortable mattress possible. Your mattress cover may be spot washed with cold water and mild soap. It should be line dried. **Do Not Wash. Do Not Put in Dryer.**
